PRACTICE AREAS

Construction

Litigation & Dispute Resolution

OVERVIEW

Andrew focuses his practice in all aspects of construction law and litigation. He represents contractors, subcontractors, architects, engineers, and property owners in private development and public construction projects. Andrew also has experience with matters involving the construction of hotels, commercial buildings, shopping centers, industrial facilities, transportation structures, apartments, airports, educational institutions, and more.

His transactional practice entails the drafting and negotiation of contracts and project management agreements. His dispute resolution practice includes mediation, arbitration and litigation in federal and state courts, as well as before administrative agencies.

Areas of Concentration
