PRACTICE AREAS

Real Estate

Affordable Housing & Tax Credit

OVERVIEW

Hayleigh Sawyer represents clients in all aspects of real estate including the financing, acquisition, disposition and development of residential and commercial projects. Hayleigh also represents both landlords and tenants in the negotiation of office, restaurant, and retail leases and has experience representing institutional lenders and borrowers in complex financing matters.

While in law school, Hayleigh was a student advocate at the Massachusetts Institute of Technology and Boston University Startup Law Clinic where she counseled founders of startup companies regarding entity formation, corporate governance, intellectual property strategy, employment issues, and regulatory compliance.
